Dear Teachers,

Voices of the Holocaust present Kindness: A Legacy of the Holocaust

Kindness is written by UK's leading theatre in education playwright Mark Wheeler and the artistic director of Voices, Cate Hollis. This groundbreaking new play was commissioned by the only specialist Holocaust theatre in education company in Europe and has the support and endorsement of the European Jewish Congress.

This inspiring piece of theatre is balanced with rich and historically accurate Holocaust education and engages as a piece of theatre in a powerful way to both move and inspire your students. It will engage students at key stage 3, 4 and 5 and will offer a variety of subject areas outstanding support in their curriculum objectives.

Please see the following page for the application of a subsidized programme.

The Kindness Project – Subsidised Programme Application

Your commitment:

Funding subsidy means participating schools' cost is just **£500 in total** (£1000 subsidy per school) for regional schools with additional cost for travel / accommodation costs for those further afield. Selection in the subsidised project is **dependent on initial performance of Kindness: A Legacy of the Holocaust to your students before the Easter break**. Additional involvement in The Mitzvah / Acts of Kindness project can follow!

Commitment to the Acts of Kindness project and agreement to submit an evaluation form is a qualifying factor in selection of schools for the programme. This needs to be completed before the end of the academic year.

In return, participating schools will receive:

- A performance of Kindness: A Legacy of the Holocaust to as many KS3/4/5 students as your venue can accommodate in the afternoon of the date agreed.
- A post show discussion / workshop; to be agreed with each participating school.
- Education support packs for curriculum areas to support further education surrounding the play.
